

HR EXAMPLE

Automating the entire hiring journey & employee life cycle

SCOTTY AI updates systems with recordings, transcripts, summaries and new data in real time

Scotty can automatically add candidates and alumni to talent tools, keeping them engaged for future sourcing and hiring (independently or in your CRM/ATS)

24/7 Scotty is available 24/7 for updates and inquiries from both the hiring team and candidates

👤 Scotty collects feedback and reports on the Net Promoter Score (NPS) at every stage for continuous improvement
